

La Haille GÃtes - A choice of 3 gites in the Gers

Description:

'LE CASTELET' - Sleeps 2

Le Castelet a renovated 'pigeonnier', (dovecot), is a South and East facing three storey gite with a private balcony. Ideal for a couple but may also be suitable for two people if they do not mind sharing the same bedroom and using the sofa as a second bed.

The ground floor comprises of a hall leading to a separate toilet and a bathroom with bath/shower and basin.

The kitchen is on the first floor which is equipped with fridge/freezer, a microwave, a toaster, two electric rings, electric kettle, cutlery, crockery and pans etc.

This opens out onto the large balcony with a gas barbecue, table and chairs overlooking the beautiful countryside.

The top floor has newly fitted air conditioning and comprises of a raised double bed, accessible by a small ladder, with a sofa bed for your comfort and also French television, a DVD/CD player along with a few DVDs, a radio and a selection books.

It is fully centrally heated with thermostat controls for Winter lets and along with the air conditioning, a fan is also provided for Summer lets.

Please note that there is an additional electricity charge for this gÃte.

'PICARDIE' - Sleeps up to 3

Picardie a 'tourelle', (little tower), is a three storey

South facing gite ideal for a couple, two or three people if the lounge is used as a second bedroom.

The ground floor comprises of a hall leading to the large and airy kitchen, which is equipped with fridge/freezer, a microwave, a gas oven with four gas rings, gas kettle, electric coffee machine, hand whisk/blender, cutlery, crockery and pans etc. The bathroom is also situated on the ground floor and has a bath/shower, toilet and basin.

The lounge is on the first floor, complete with two armchairs and a sofa for your comfort and also French television, English satellite television, a video player, a radio/cassette/CD player and selection of books.

The bedroom is on the top floor with a ceiling fan, a double bed and stunning views of the Pyr n es mountains. This is also a good vantage point from which to watch the varied and abundant wildlife.

Picardie is fully centrally heated with thermostat controls for Winter lets and a fan provided for Summer lets.

'SUNNYCROFT' - sleeps 4

Sunnycroft is a South facing bungalow gite with two separate bedrooms ideal for a family of four or for those who have difficulty with stairs.....
